COMPANY PROFILE

FASHION WORLD SOURCING BANGLADESH (FWS-BD)

About Us

Fashion World Sourcing Bangladesh (FWS-BD) is a Bangladesh-based sustainable lifestyle sourcing agent and manufacturing partner, connecting international brands with reliable, compliant and responsible manufacturing solutions.

We work with a network of vertically integrated and internationally recognized certified production facilities, providing end-to-end sourcing and manufacturing support tailored to each customer's product, quality, price, compliance and delivery requirements.

Our approach goes beyond traditional sourcing. From product development and dedicated SMS development to material sourcing, production, quality assurance, compliance, and shipment, we manage the supply chain with a strong focus on transparency, accountability and consistent execution.

We combine Bangladesh's manufacturing competitiveness with international sourcing experience, responsible production and hands-on supply-chain management to create long-term value for our customers.

OUR CAPABILITIES

- **End-to-end sourcing and manufacturing** solutions through internationally recognized, compliant and certified factories
- **Sustainable and ethical production** with transparent and responsible supply chains
- **Dedicated product and SMS development** to support customers from concept to production
- **Multi-stage quality assurance and inspection** throughout the manufacturing process
- **Competitive and commercially focused sourcing** without compromising quality or compliance
- **Reliable production planning and on-time delivery**
- **Sustainable fibers and certified materials sourcing** including GOTS, GRS, OCS, BCI and other recognized sustainability standards, where appropriate to the product and customer requirements.

OUR MARKET

We work with customers across **Europe, the United Kingdom, North America, Australia and other international markets,** supporting both established brands and growing businesses looking for reliable and flexible sourcing solutions from Bangladesh.

Our strength lies in combining **Bangladesh's manufacturing competitiveness with international sourcing experience, responsible production and hands-on supply-chain management.**

OUR PROMISE

At FWS-BD, we believe successful sourcing is not simply about finding the **lowest price.**

It is about finding the **right product, the right manufacturing partner and the right commercial solution**—while maintaining quality, compliance, transparency and delivery performance.

We strive to make sourcing from Bangladesh **easier, more transparent, more responsible and more commercially successful** for our customers.

FWS-BD

Right Product. Right Partner.
Responsible Supply Chain. Reliable Delivery.

OUR VISION

> To be a trusted global sourcing and manufacturing partner, connecting brands with responsible, innovative and commercially competitive supply chains from Bangladesh.

We envision a fashion and lifestyle industry where **quality, sustainability, transparency and commercial success** work together to create long-term value for brands, manufacturers, workers and the environment.

Global Perspective | Responsible Sourcing | Reliable Partnership | Sustainable Growth

OUR MISSION

> To deliver reliable, responsible and competitive sourcing solutions that turn our customers' product ideas into quality products through strong manufacturing partnerships, transparent supply chains and disciplined execution.

We are committed to:

- Connecting international brands with **reliable, compliant** and capable manufacturing partners.
- Providing **end-to-end sourcing and manufacturing solutions**, from product development and SMS to production, quality assurance and shipment.
- Promoting **responsible and sustainable manufacturing practices** through appropriate materials, certified facilities and transparent supply chains.
- Delivering the right balance of **quality, price, compliance and lead time.**
- Building long-term relationships based on **trust, accountability, transparency and mutual growth.**
- Continuously developing **new materials, products and manufacturing solutions** to meet the changing needs of global customers.

OUR CORE VALUES

INTEGRITY
We do what we say and communicate openly.

ACCOUNTABILITY
We take ownership from development through delivery.

QUALITY
We pursue consistent standards at every stage of the supply chain.

RESPONSIBILITY
We respect people, communities and the environment in the way we conduct our business.

PARTNERSHIP
We build relationships based on trust, cooperation and mutual growth.

AGILITY
We respond quickly and practically to changing customer needs and market conditions.

CONTINUOUS IMPROVEMENT
We learn, adapt and continuously improve our products, processes and sourcing solutions.
